a mediterranean city

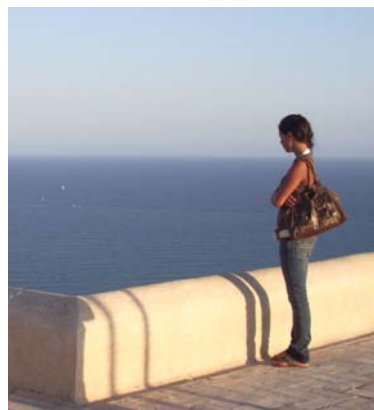

If diversity is what you are looking for in your Spanish immersion courses in Spain, you will find plenty of it in Alicante, in Costa Blanca region.

Alicante combines classicism with modernity, leisure with business, fun with study, and even mountain and beach.

The richness of Alicante's history is preserved through its archaeological remains. The beauty of its monuments along with the charm of various festivities and cultural events held throughout the year increase the appeal of the city.

The wonderful beaches and mild climate all year round make of Alicante one of Spain's most important tourist areas.

All in all, Alicante is a Mediterranean city, with its beautiful beaches, its promenades, its restaurants, cafés and terraces, its nautical club...

- ◀ Mediterranean coast.
- ◀ 330,000 inhabitants
- ◀ Wonderful beaches
- ◀ Mild climate all year long.
- ◀ Traditional Spanish fiestas in June.
- ◀ Lively city.

vitoria basque country spain

a green city

Vitoria, capital of the Basque Country, is situated on a plain surrounded by mountains, 60 km from the coast, 35 km from La Rioja region, and 50 km from the monasteries where the first texts in Spanish language were found.

Vitoria is the perfect blend of ancient Spanish history and of modern development. It boasts one of Spain's highest standards of living thanks to its array of cultural activities, its beautiful surroundings, and its excellent service provision.

Vitoria, yet untouched by mass-tourism, allows you to discover the surprising blend between the solid strength of the past and the energetic power of the future.

The city's award-winning urban design, its environment, and its lively social initiatives together with its cultural and sport activities, make Vitoria one of the capitals with the highest standard of living in Spain.

professionalism and experience

With over **21 years experience** teaching Spanish, ZADOR, Spanish schools offer professionalism, reliability, and efficiency. We specialise in teaching Spanish to students of many different nationalities.

Since we opened in 1990 until today, we have broadened and improved our Spanish courses thanks to the support of the companies and educational centres for whom we have organised courses and, especially, to the experience that comes from our daily work with the students - the driving force behind our schools.

Our priority is the **students' learning**. That is why we pay special attention to the teaching method and the materials we use. Our teachers, fully qualified specialists in the teaching of Spanish from a communicative perspective, will provide the support the students need to learn Spanish.

We offer you **two language schools** –one in **Alicante** and the other in **Vitoria**– welcoming, pleasant, medium-sized, and well-equipped. We also have plenty of activities prepared so that you will for sure enjoy your free time.

The entire ZADOR team would like your language stay to be an unforgettable experience. Our goals are that you enjoy and spend a nice time while studying and practising Spanish in Spain.

school group trips

For groups of students, families or friends looking for a tailor-made Spanish language course in Spain you can customise your language study immersion.

Students learn Spanish language, discover Spain, Spanish history, monuments and art, Spanish traditions and enjoy their language holidays in Spain so much that they will want to visit Spain again and continue learning the Spanish language.

- **Study trips to Spain for school groups**, with a minimum of 10 and a maximum of 40 students. Language study trips for groups over 10 years old. We provide teachers and school leaders with all the necessary support regarding a proposal for the language study trip.

- **Spanish courses for families**, friends or colleagues to suit your needs.

Groups can come at any time of the year, except for Christmas time.

In all cases the language study programmes are adapted to the students' age. Some are general language trips and others are thematic tours, focusing on gastronomy, wine, culture and art, or sports.

Send us an email specifying the characteristics you are looking for in a Spanish language trip and we will send you a quote.
