accommodation

HOST FAMILY

Full-board host family accommodation in the Alicante city centre.

In the Alicante city centre

The majority of the host families live within walking distance from the school. A person from the host family or a Zador staff member accompanies the kids every day.

Carefully-selected families

The families are selected and visited regularly and they usually have children with a similar age to the students. In all of them, children will find a warm atmosphere that will help them get integrated into the family very quickly.

Twin or triple rooms

Shared rooms are recommended for younger kids and for children with a low Spanish level. Two or three kids in the same family can help each other to break linguistic isolation and develop mutual support. Single room on request.

Full board with 5 meals

Breakfast, morning snack, lunch (at the Sports Club on Monday to Friday, in the family or on excursions on Saturday or Sunday), afternoon snack, and dinner with the family.

* *Vitoria: Only residential accommodation for all participants.*

services

Private insurance. All participants are covered by a private medical, accident, travel and civil liability insurance.

Optional pick-up and drop-off. If you wish, a member of Zador staff will pick kids up and take them directly to the host family.

Supervision. Children have a high level of supervision and they are constantly supervised by the school staff, sports coaches and the host family.
